Transportation Department

Transportation Director: Art. A. Ida Art.Ida@culvercity.org

Division: Transit Operations ("Culver CityBus")
Manager: Samantha Blackshire Samantha.Blackshire@culvercity.org

- Founded on March 3, 1928, Culver CityBus is the second oldest municipally owned bus line in California.
- Operates seven routes serving over 5 million passengers annually with a service area encompassing 25.5 square miles, which includes the Westside communities of Venice, Westchester, Westwood, West Los Angeles, Palms, Marina del Rey, Mar Vista, Century City, and Culver City.
- Hours of operation: approximately 5:20 a.m. - 12:39 p.m. on weekdays; 5:40 a.m. - 11:56 p.m. on weekends.
- First transit agency in Los Angeles County to accept the Transit Access Pass (TAP) fare debit card.
- Accepts the EZ transit pass, which is a monthly pass that permits unlimited travel on 24 Los Angeles County transit systems without the use of transfers.
- Participates in the BruinGo! Program that provides discounted rides to UCLA students, faculty and staff.
- Fare Structure:
