FIELD TRIP NOTIFICATION

We occasionally plan field trips for participants in the Culver City Afterschool Recreation Program (CCARP). We feel that these trips give children a change of pace from the regular routine of school and the after school program.

These trips usually involve walking to nearby facilities including the library, city parks and community facilities, and on occasion, a local store or snack bar.

We also may plan some outings that utilize public transportation for locations not within walking distance.

Should an accident occur, CCARP staff will act according to the policies and procedures outline in the CCARP Program Handbook.

If you would like your child to attend these field trips, we must have your written permission. Please complete and return the bottom portion of this form.

Thank You.

_____ Has permission to participate in
(please print child's name)
CCARP field trip activities. I/We the parent and/or guardian of the child named above, consent in advance to any emergency medical treatment or procedures that may be necessary for my/our child during said outings.
