

Culver CITY RSVP

volunteers hand knitted dozens and dozens of hats, dresses, afghans and scarves to benefit Big Sunday's first ever...

Crafts for a Cause

The finished products were donated to:

Project Linus: provides love, a sense of security, warmth and comfort to children who are seriously ill, traumatized, or otherwise in need through the gifts of new, handmade blankets and afghans, lovingly created by volunteer "blanketeers."

Stitches from the Heart: sends handmade clothing, blankets, and love to premature babies all across the nation.

Wool Aid: creates warm woolen garments for children worldwide who live in the coldest climates and have the least access to resources.

The Red Scarf Project: scarves to send to Orphan Foundation of America students away at colleges and vocational schools.

Knots of Love: crocheted and knitted caps for chemo patients and others facing life-threatening illnesses and injuries.
