

Special Delivery from Culver City Senior Center to the West Los Angeles V.A. in honor of Veterans Day 11.11.11

On Friday October 28th five volunteers representing the Culver City Senior Center travelled to the V.A. to deliver smiles and a huge donation of handmade items in honor of Veterans Day.

Our dedicated group of knitters and crocheters not only donated more than 200 handmade afghans just in time for the winter months, they also knitted chemo caps to keep oncology patients' heads warm and made over 120 goodie bags which were handmade sewn bags containing a knitted cotton washcloth, soap and other donated toiletry items.

**A BIG round of cheers for the Wednesday
RSVP crafts group and Vivian Brown's
Friday knitting class at the Senior Center!**
