

First Annual iNeed Help With My Gadget Workshop

The Senior Center hosted its first ever **iNeed Help With My Gadget** workshop on Saturday, January 21st, 2012. The workshop provided one-on-one expert assistance for Center members needing assistance with portable electronic devices such as kindles, nooks, smart phones and iPads. Members were grateful for the service, expressing thanks for the empowerment and guidance on how to use their gadgets!

Thank you to our dedicated volunteers!
