NOTICE OF IMMINENT CONSTRUCTION

BLACKWELDER STREET AND SMILEY DRIVE SEWER REPLACEMENT PROJECT (PROJECT NO 854)

Dear Residents and Business Owners:

This is to advise you that a construction contract has been awarded for a Public Works improvement project in your area. **The work is scheduled to begin on June 11, 2007 and to be completed by July 13, 2007.** Due to the construction, you may experience certain temporary inconveniences such as loss of street parking, a brief loss of driveway access to your property, day and night-time construction noise, dust, etc., even though every effort will be made by the City and the Contractor to minimize these inconveniences. Your patience and cooperation in observing all traffic controls, parking restrictions and traffic control workers will be sincerely appreciated and will help in expediting construction.

The work includes replacing sewer mains, sewer laterals, and manholes in existing streets and will require temporary lane closures and street closures during working hours. Prior to closing any portion of the street to public traffic, the contractor will post temporary "No Parking-Tow Away" signs at least 48-hours prior to start of work in advance indicating the time and dates which that portion of the street will be closed for due to construction.

The expected hours of work will be from 8:00 a.m. to 5:00 p.m., Monday through Friday, with some work scheduled on weekends along La Cienega Blvd. only. Please direct all inquiries or concerns to either the City's Construction Manager or the Construction Field Inspector noted below.

CONTRACTOR

Kreso Grbavac
Construction Foreman
