## *Cyclists!*

If you ride a bike, for transit or for pleasure, you might want to join us on your bike for a ride through Culver City's Transit Oriented Development district and its surroundings. We want to experience with you the pleasures of biking in Culver City, as well as the "bumps" in the road for bikers.

10:00 am Meet at El Barone  
8641 Washington Boulevard  
We'll ride a circuit together and be back by noon.

## *Walkers!*

If you enjoy a walk through town, whether on your way to work, shopping or play, come join us for a stroll around Culver City's Transit Oriented Development district and its surroundings. Show us your favorite routes, secret short-cuts, and those places where things might be better for pedestrians.

12:00 noon Meet at the Expo Station  
8817 Washington Boulevard  
We'll walk the neighborhoods and be back by 2:00.
