Join Us for “A Brighter Future” in Culver City

Culver City, California/USA., January 29, 2020 - TEDxCulverCity will take place on the 31st of March 2020 at the historic Culver Hotel from 7:00pm-9:00pm. The independently organized event, licensed by TED, will feature local voices and TED talks under the theme of “A Brighter Future.”

Five local captivating speakers are preparing to invigorate your minds with provocative talks on topics such as innovations in cancer, creating a regenerative society, timefulness, and rethinking modern masculinity. The talks will challenge us to ask the question— how can we break away from conventional norms and re-examine the world around us for a better tomorrow?

Speakers at TEDxCulverCity include:
- Chris PJ Turner - British comedian, freestyle rapper, and has racked up over 12million YouTube views
- Billie Lee - Transgender activist & Official cast member of Vanderpump Rules on BravoTV
- Steven Griffith - Author, speaker, researcher and performance expert considered one of the leading authorities on the connection between time, productivity and performance.
- Dr. Joanne Weidhass MD, Ph.D., MSM. - Professor of Radiation Oncology at the David Geffen School of Medicine UCLA Co-Founder of MiraDx and Founder of MiraKind
- Marc Ian Barasch - Non-fiction author, film and television writer-producer, magazine editor, and founder of the Green World Campaign

This is a public event with 100 available tickets at $50, which can be purchased through our website at TEDxCulverCity.com. Tickets will be available starting on February 5th, 2020. Snacks, refreshments, and a cash bar will be available.

For those unfamiliar with TED, it started as a small nonprofit, in 1984, bringing people together to share “Ideas Worth Spreading” from three disciplines – Technology, Entertainment, and Design. These ideas are shared in the form of a story or “TED Talk”, which last a maximum of 18 minutes. Since its inception, TED conferences have included speakers like Bill Gates, Jane Goodall, and Quincy Jones who have spoken alongside athletes and grass-root musicians.

“TED has created a product that’s sophisticated, popular, lucrative, socially conscious, and wildly pervasive.”
– The New Yorker

It is the mission of TEDxCulverCity to connect the community, inspire innovation, and foster visionary ideas within the community. We aim to bring thinkers, dreamers, and visionaries together.

About TEDx, x = independently organized event
In the spirit of ideas worth spreading, TEDx is a program of local, self-organized events that bring people together to share a TED-like experience. At a TEDx event, TED Talks video and live speakers combine to spark deep discussion and connection. These local, self-organized events are branded TEDx, where x = independently organized TED event. The TED Conference provides general guidance for the TEDx program, but individual TEDx events are self-organized. (Subject to certain rules and regulations.)

About TED
TED is a nonprofit organization devoted to Ideas Worth Spreading, often in the form of short talks delivered by leading thinkers and doers. Many of these talks are given at TED conferences, including our annual gathering in Vancouver, as well as TEDWomen, intimate TED Salons and thousands of independently organized TEDx events around the world. Videos of these talks are made available, free, on TED.com and other platforms. Audio versions of the talks from TED2019 are published to TED’s podcast TED Talks Daily, available on all podcast platforms.

TED’s open and free initiatives for spreading ideas include TED.com, where new TED Talk videos are posted daily; TEDx, which licenses thousands of individuals and groups to host local, self-organized TED-style events around the world; the TED Fellows program, which selects innovators from around the globe to amplify the impact of their remarkable projects and activities; the Audacious Project, which surfaces and funds critical ideas that have the potential to impact millions of lives; TEDSummit, which gathers the most engaged members of the global TED community for brainstorm, discussions, performances, workshops and an eclectic program of mainstage talks; and the educational initiative TED-Ed. TED also has a growing library of original podcasts, including The TED Interview with Chris Anderson, WorkLife with Adam Grant, TED en Español and Sincerely, X.
