dog or dogs over the age of four (4) months in the City of
Culver City, not covered by the provisions of Section 5.12
shall first obtain an annual license from the agency desig-

of Four Dollars ($4.00) in all.

5.11 No dog license shall be issued unless the applicant exhibits
a certificate signed by a veterinarian licensed either by the
State of California or by any other State to practice veterinary
medicine that:
(a) Such dog has been vaccinated with phenolized tissue
vaccine less than one year prior to date of application
or the first day of the license period, whichever is later, or
(b) Such dog has been vaccinated with chick embryo vaccine less than two years prior to date of application or the first day of the license period, whichever is later, or
(c) Such dog should not be vaccinated with rabies vaccine because such vaccination would jeopardize the health of such dog due to infirmity or other disability, which infirmity or other disability, and the estimated date of termination thereof is shown on the face of the certificate to the satisfaction of the Poundmaster.

5.12 A person who obtains a license without submitting a certificate of vaccination because of the infirmity or disability of the dog, shall within ten days after the termination of such infirmity or disability, cause such dog to be vaccinated as required herein.

5.13 A license tag for an individual dog shall be securely affixed to a collar, harness, or other device which shall at all times be worn by such dog except while such dog remains indoors or in any enclosed yard or pen. In case any license tag for an individual dog is lost or destroyed a duplicate thereof may be procured from the agency designated by the contractor upon the submission to such agency of such proof as he may require and upon the payment therefor of the sum of one dollar ($1.00).

5.14 An unauthorized person shall not remove from any dog, any collar or harness or other device to which is attached a license tag for the current year or remove such tag therefrom.

5.15 A person shall not attach to or keep upon, or cause or permit to be attached to or kept upon any dog, any tag provided for in Paragraph 5.1 of this ordinance except a tag issued for such dog under the provisions of this ordinance, or attach or keep upon or cause or permit to be attached to or kept upon any dog or make or cause or permit to be made or have in possession, any counterfeit or imitation of any tag provided for in this ordinance.

5.16 It shall be unlawful for the owner or person having custody of any dog or other animal to permit, either wilfully or through failure to exercise due care or control, any such dog or animal to commit any nuisance and to allow such nuisance to thereafter remain, upon the sidewalk of any public street, or upon any private or public property not owned or possessed by the owner or person in control of said dog or animal.

5.17 It shall be unlawful for any person, firm or corporation, to harbor or keep any animal, bird or fowl which disturbs
the peace or causes annoyance or disturbance to the neighborhood or interferes with the peace, comfort or repose of any person or persons in the quiet enjoyment of his or their property, by repeated or continuous barking, howling, whining, or making other sounds common to their species, and such disturbance shall constitute maintenance of a nuisance, punishable as hereinafter set forth, provided however that this Section shall not apply to a licensed kennel owner or hospital or other place in which animals, birds or fowls are kept pursuant to license or permit issued by governmental agencies.

SECTION 6. GENERAL ANIMAL REGULATION.

6.1 It shall be unlawful for any person, firm, company or corporation to keep or maintain or cause to be kept or maintained any animals, fowls or reptiles, other than household pets, in the City of Culver City, without having applied for and received a permit as hereafter provided, which permit shall be revocable at any time it is made to appear to the City Council that the keeping of said animals, fowls or reptiles is, or may become, detrimental to the public health, safety and/or general welfare.

Upon the filing of said application a copy thereof shall be referred to the Health Department and Police Department for investigation and report.

Upon receipt of said reports the City Clerk shall cause notices to be posted within a radius of three hundred (300) feet from the address wherein said animals, fowls or reptiles are proposed to be kept, and not more than fifty (50) feet apart, giving notice of the filing of said application and of the fact that if no written objections to the granting of said permit are filed within ten (10) days from the completion of the posting of said notices, permit will be granted. No permit shall be granted, however, if objection is made thereto by the Health Department or the Police Department, but in such case applicant may appeal to the City Council, and in that event, or if any written objection to said application is filed, the matter shall be referred to the City Council for hearing, notice of which hearing shall be given in the same manner as for the
original application. All notices hereinabove required shall be on heavy cardboard 6 inches x 8 inches, containing the heading "Notice of Application to Keep Animals, Fowls or Reptiles", the word "Notice" which shall be in letters of not less than one-half inch in height. In the case of a hearing before the City Council the posting of said Notices shall be completed at least five (5) days before said hearing.

6.3 It shall be unlawful to keep and maintain more than two dogs over six (6) months of age, or more than three cats over the age of six (6) months, without obtaining a permit therefor in the manner provided in Section 6.2 of the herein ordinance.

6.4 That this Ordinance is not intended to and does not supersede any other ordinance relating to the keeping of poultry, domestic fowls and animals, except wherein the same are herein prohibited, but is intended to supplement such other regulatory ordinances as are now in effect covering the subject matter; provided, that where any ordinance places restrictions on the keeping of said poultry, domestic fowls and animals, no permit shall authorize lesser restrictions than said ordinances require.

SECTION 7. IMPOUNDING

7.1 Any person finding any stray domestic animal or any such animal which is running at large contrary to the provisions of this ordinance may take up such animal if he complies with the applicable provisions of this ordinance.

7.2 Any person taking up any stray domestic animal or any such animal found running at large contrary to the provisions of this ordinance shall surrender such animal to the Poundmaster or to his duly authorized representative upon demand.

7.3 Poundmaster and each poundkeeper shall hold, advertise, sell, and in all other respects treat animals impounded by him as provided in Article 2, Chapter 2, Division 3 of the Agricultural Code of this State, except that instead of the fees specified therein, for each pig, hog, cow, goat, bull, steer, horse, mule, burro, pony, jack, jenny, hinny, sheep, or other stock, the Poundmaster or poundkeeper, as the case may be, shall charge: 

(a) The cost of filing and advertising.

(c) For each day or fraction thereof except the day of impounding during which the animal is in the pound: 
   (1) One Dollar for a cow, bull, steer, horse, mule, burro, pony, jack, jenny, or hinny.
   (2) Fifty cents for any other animal.

(d) The place where such animal is confined.

7.5 In case such notice is given to any member of the Police Department such officer shall immediately notify the Poundmaster and shall furnish him all the information which has been obtained regarding such animal.

7.6 If the Poundmaster finds that any dog impounded in the contractor's shelter probably can be sold, or that in order to protect the public health such dog should be vaccinated, he may instruct a Licensed Veterinarian to vaccinate such dog with chick embryo vaccine or phenolized tissue vaccine.

7.7 The Poundmaster or poundkeeper in charge of any pound may, upon impounding of any dog which is not wearing a current license tag, or of any cat, cause to be published in any newspaper circulated within the community wherein any such dog or cat was taken up, a notice of the impounding thereof, which notice shall contain a general description of such dog or cat, the date of such taking up and impounding and the address of the pound wherein such dog or cat is being held.

If such dog is wearing a current license tag but the records do not reveal the correct address of the owner, and the owner's address is not known, the Poundmaster or such poundkeeper may also advertise as above provided.

7.8 Each person having charge of any pound shall keep a record of each dog impounded by him, the date of the impounding thereof, the date and manner of its disposal, and if redeemed, reclaimed, or sold, the name and address of the person by whom redeemed, reclaimed, or purchased, and the amount of all fees received or collected for or because of the impounding, reclaiming, or purchasing thereof, together with the number of any license tag and the date of any kennel license exhibited upon the redemption or sale of any such dog.

7.9 A person shall not interfere with, oppose or resist any poundkeeper or other person authorized under the provisions of this ordinance to take up and impound animals which such poundkeeper or other person is engaged in the performance of any act authorized by this ordinance.
7.10 Nothing in this ordinance shall be construed to permit the transfer, disposal or otherwise surrendering of any animal obtained from within the City of Culver City to any research institution, person or other agency for experimentation whether medical in nature or otherwise. It shall be a misdemeanor for any person having the care, custody or possession of such animal to wilfully permit the violation of the provisions of the herein section.

7.11 Every poundkeeper with whom any dog wearing a current license tag is impounded pursuant to this ordinance shall, within twelve working hours after receiving such dog, notify either by telephone or letter, with postage fully prepaid thereon, the person to whom the current license for such dog was issued, of the whereabouts of such dog.

7.12 If the poundkeeper does not comply with Paragraph 7.11, such poundkeeper shall charge no fee of any kind for any board or care of such dog prior to the time when the owner or person to whom the current license for such dog was issued, or other person in charge of such dog, receives actual notice of the whereabouts of such dog.

7.13 Dogs wearing a current license tag impounded pursuant to this ordinance shall not be destroyed or otherwise disposed of unless:
(a) The person to whom the current license for such dog was issued so directs; or

(c) Six full days have elapsed since a letter, postage fully prepaid, addressed to such person at his last known address, and informing such person of the whereabouts of his dog, have been deposited in the United States mail.

7.14 The charge for redeeming of any impounded dog shall be Three Dollars and Fifty Cents ($3.50); for vaccination by a Licensed Veterinarian pursuant to the provisions of law requiring the same be done by the Poundmaster, the charge therefor shall not exceed Five Dollars ($5.00) for each vaccination.

7.15 For the redeeming of any impounded cat, the charge shall not exceed One Dollar ($1.00), and for feeding and caring for such cat, Twenty-five Cents ($.25) for each day or fraction thereof during which such cat is kept in such pound except the day on which it is impounded, shall be collected.

7.16 The impounding fee does not include any cost of feeding or caring for any dog or cat except during the day on which it is impounded, but the fee for such care and feeding may be collected for each day except the day on which it is impounded during which such dog or cat is in the care of such person or association.
7.17 For giving notice of the impounding of any dog or cat, the actual cost of the publication of any notice published for such dog or cat shall be collected.

7.18 The estimated cost of impounding, feeding, and caring for rabbits, birds, poultry, fowls, or other animals not otherwise provided for in this ordinance shall be collected.

7.19 A charge shall not be collected for any animal which has been unlawfully taken up and impounded. Such animal shall be immediately delivered upon demand to the owner or person entitled to the custody thereof.

7.20 The owner or person entitled to the custody of any animal taken up and impounded under the provisions of this ordinance may at any time before the sale or disposal thereof, as herein provided, redeem such animal by paying to the Poundmaster or poundkeeper the fees and charges prescribed by this ordinance accruing up to the time of such redemption.

7.21 The Poundmaster may employ a private veterinarian whenever he deems it necessary in order to properly care for and maintain any animal, and the cost thereof, not exceeding the amount set forth in the following table, shall be a shelter charge:

When a veterinarian's fee has been paid or incurred for the care or treatment of any animal, such animal shall not thereafter be redeemed without payment by the owner of such fee, in addition to any and all other costs, so as to reimburse the Contractor for its cost for veterinarian service for such animal.

7.22 If the Poundmaster or poundkeeper suspects that any dog impounded has rabies he shall hold such dog for inspection by, and shall notify the County Health Officer. The County Health Officer shall examine such dog, and if he believes such dog should be held for further observation, he shall so inform the Poundmaster or poundkeeper who shall hold such dog as directed.
