The Planning Division invites your participation in an Administrative Decision concerning:

WHO: Verizon Wireless (Applicant)

WHAT: Proposed building-mounted wireless telecommunication facility at 4121 Grand View Boulevard, on a building with existing wireless telecommunication carriers

   Case No: Administrative Use Permit, P-2015-0065-AUP
   Zoning: Commercial General (CG)
   General Plan: General Corridor

WHERE: Project Location: 11802 Washington Boulevard – Nearby Cross Streets: Washington Blvd. & Kensington Rd. (see attached Project Site Map)

WHY: The Planning Division is processing the Administrative Use Permit application for the above described use. The Culver City Municipal Code requires a 15-day public review period for administrative decisions, during which time the Planning Division solicits comments from the public. Following the conclusion of the public review period, an Administrative Decision will be made.

WHEN: Public Comment Period: Tuesday, November 17, 2015 through Tuesday, December 1, 2015

CEQA: Pursuant to the California Environmental Quality Act (CEQA) guidelines, initial review of the project by staff established that there are no potentially significant adverse impacts on the environment and the project has been determined to be Categorically Exempt, per Section 15303, Class 3 – New Construction or Conversion of Small Structures, because the proposed project, an AUP for a building-mounted wireless telecommunication facility on a building with existing wireless telecommunication equipment from other carriers, involves the construction of small facilities and installation of new small equipment and facilities in small structures.

More Info: Persons wishing to submit comments may do so to the attention of Gabriela Silva, Associate Planner by any of the following means BEFORE 5:30 PM on Tuesday, December 1, 2015:
