

MEMBER OF THE YEAR HOPE SELDIN

The Culver City Senior Citizens Association Board of Directors is pleased to honor

Hope Renee Seldin

Member of the Year for 2009

Hope Renee Seldin has been coming to the Culver City Senior Center since she retired in 2005. She was an LAUSD elementary school teacher for 36 years and still works part time for UTLA. Hope wants to thank the Board of Directors for nominating her for Member of the Year. She knows that there are many other seniors who also deserve this honor. She appreciates all the wonderful activities and classes the CCSCA provides along with the Culver City staff. Since joining the CCSCA, she has learned to knit, has participated in yoga classes, fitness class, line dancing, ballroom dancing, Tai Chi, Qi Gong and the Nia Class. Hope also enjoys going to the Tuesday and Sunday movies and has a great time at the lively Saturday Dances .

Hope has been married to her wonderful husband Stephen for 40 years. She is the proud mother of Dan and Julie and proud grandmother of Drake, Clark and Luke. Hope has an identical twin sister and an older brother who are also special people in her life.

In addition to all the hard work Hope puts in at the Senior Center, she has volunteered for the Special Olympics program, an ESL class at the high school level, and a "Wonder of Reading" program. As part of the current CCSCA Board of Directors, Hope has contributed endless hours on important subcommittees, in particular the subcommittee that keeps the Fitness Center running smoothly. She is always available to pitch in and help with CCSCA activities and has been a key volunteer for Membership Registration, the flu clinic, a leader for the weekly Wednesday Work Project, the monthly birthday parties, the movies and Board elections. Hope enjoys being active physically and mentally and considers the Senior Center a 'wonderful place to retire to. You can continue to be active and can also get pleasure out of volunteering and helping others.' It is our good fortune that Hope has chosen our Senior Center as the recipient of her boundless energy and we are happy to show our appreciation for all she does by honoring her as the Member of the Year. Congratulations, Hope!

Hope will be recognized at the Center Holiday Party on December 10, 2009.
