I am authorized to act on behalf of the proposed commercial cannabis business. I have read and understand all City laws. I have abided by all City laws during the previous permit year and intend to abide by all City laws in the future. The City is authorized to verify all information, and I will notify the City if there is any change in any information submitted. I understand that falsification or misrepresentation of any information may result in denial of the permit's renewal or revocation of the current or future permit. I understand that filing of a permit renewal application does not guarantee the City will renew the permit. I understand that a permit may be revoked at any time for reasons specified in CCMC 11.17. I understand that the permits expire after one year unless renewed by the City of Culver City, and the City of Culver City may not renew the permit after it expires if the permittee does not adhere to all requirements of state and local law. Application fees are non-refundable even if a permit renewal application is denied.

I declare under Penalty of Perjury that the above information, and all information I provided to the City of Culver City for the Culver City Cannabis Business Permit Annual Renewal Application, including the information submitted electronically through the online registration process, is true and correct.
