

Culver City Reach Code Outreach
Stakeholder Meeting - January 21, 2020

Purpose of Today's Presentation

- ▶ Provide information regarding statewide energy efficiency efforts
- ▶ Describe how “Reach Codes” reduce energy consumption and build healthy communities
- ▶ Provide an overview of various reach code strategies and solicit input from stakeholders
- ▶ Discuss future steps to develop Reach Code Standards that will work best for Culver City

Statewide energy efficiency efforts

- ▶ California Title-24
 - ▶ Energy Code
 - ▶ CalGREEN
- ▶ Local Code Amendments
 - ▶ Reach Codes

“Reach Codes”

- ▶ What are they?
- ▶ How do they save energy?
- ▶ How do they build healthier communities?

Reach Code Strategies

- ▶ 100% mandatory electrification
- ▶ Incentivized voluntary electrification
- ▶ Targeted electrification
- ▶ Phased electrification

Target Building Categories

- ▶ Low-rise residential buildings
- ▶ High-rise residential buildings
- ▶ Retail and Office buildings
- ▶ Restaurant buildings
- ▶ Hotel buildings

What are your thoughts?

- ▶ Do you have ideas that will save energy?
- ▶ Are there actions we can take to make our community healthier?
- ▶ How can new buildings protect Culver City's future?
- ▶ How can we reduce our carbon footprint?

Next Steps

- ▶ How will Culver City determine the best Reach Codes for our community?
- ▶ What information will be used to determine the best strategy?
- ▶ Which target building categories will be included?
- ▶ ... Will my current home or business be affected?

Thank you !!
