Culver City Performing Arts Grants Program Partial List of Performance Venues

Venue arrangements are made directly between the grant applicant and the venue. The City of Culver City does not share responsibility in securing venues for performances or rehearsals. All grant performances must take place in ADA compliant venues that follow current health guidance and COVID-19 restrictions. Grantees may need to obtain special permits, insurance, and/or pay rental fees in accordance with the venue.

Performances are not limited to the venues on this list. Contact Culver City Cultural Affairs staff to discuss creative indoor and outdoor venue ideas at cultural.affairs@culvercity.org.
