INDEPENDENT AUDITOR’S REPORT  
ON FINANCIAL DATA SCHEDULES

To the City Council of the City of Culver City  
Culver City, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Culver City, California (the “City”), as of and for the year ended June 30, 2016, and the related notes to the basic financial statements, which collectively comprise the City’s basic financial statements, and have issued our report thereon dated December 16, 2016, which contained unmodified opinions on those financial statements.

Other Matters

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City’s basic financial statements. We have not performed any procedures with respected to the audited basic financial statements subsequent to December 16, 2016.

The accompanying Financial Data Schedules for the Housing Authority of the City of Culver City are presented for purposes of additional analysis as required by the U.S. Department of Housing and Urban Development and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Financial Data Schedules are fairly stated in all material respects in relation to the basic financial statements as a whole.
