Bring the Outdoors Home

Explore California’s state parks from the safety of your home! As we begin 2021, it is important to remember to take a break from everything. We need our parks now more than ever because that’s where we feel good, and free, and human! Thanks to a partnership between California State Parks and Google Maps, you can now visit 110 beautiful state park destinations right from your computer, tablet or smart phone.

Try Nature Journaling!

A journal is a powerful tool. It unlocks creativity; hones observation skills; and provides a window into the past – all while reinforcing important record-keeping skills such as reading, writing, and drawing. While exploring the nature around your home, at a local park, or just looking out your window, try journaling about what you observe! Here are some things to write about:

- Research the sounds that you observe. What made those noises? How do animals produce those sounds?
- Draw or illustrate your observations in to the journal. Do you find yourself attracted to more coastal state parks or parks with tall trees and forests?
- Write about what you observe. What time of year could it be? What time of day? What is the weather like?
- Imagine yourself in a state park. What is something you could be doing there? Who would you like to be there with you?
Quilt Giveaway

The Senior Center received a very generous donation of 15 beautiful handmade quilts! The quilts are a variety of colors and range in size from 25.5x50 inches to as large as 76.5x64 inches! Enter our drawing to win one of these quilts! In order to be entered, you must complete the following task:

Culver City City Hall, Attn: Senior Center, 9770 Culver Blvd. Culver City, CA 90232
Include your first and last name, phone number, and home address.
Answers must be submitted by Friday, January 22nd.
Thank you to Westside Quilters for the donation!!!
