The Proponents of this measure want you to approve 16-and-17-year-old voting this election. What will they want you to approve NEXT election? Their next goal is to allow people who DON'T live in Culver City to vote in Culver City. After that, they plan to ask you to approve voting by illegal aliens in Culver City, as they currently can in New York City.

Proponents of this measure point to Oakland and Berkeley as shining examples of California cities which allow 16-and-17-year-old voting. Does anyone in Culver City really want to emulate Oakland and Berkeley? See whether the 16-and-17-year-olds in Oakland and Berkeley are making "informed" decisions about violence and crime. Are the 16-and-17-year-olds there "engaged" in their communities? Are they making their communities safer? The other glistening community up north, San Francisco, has VOTED this measure DOWN, TWICE. What does that tell you?

The Proponents currently CONTROL both our School Board and City Council. They don't mention the extra cost TO YOU of these special teenage elections (**\$40,000 per**) while they beg you to raise taxes elsewhere on this ballot.

There is still time. Go back and vote NO on VY.
