The left-wing city council says that Measure CC is not a tax increase because the tax increase is already in place until 2023. But the tax was SUPPOSED to end in 2023. It WILL BE a tax increase from 2023 to 2033. The Council already intends to use these taxpayer dollars to pay for homeless housing pods (\$15,000 each) in your city parks; rent control has already cost us \$573,059 for just the first six months; and an "Equity Commission" (to question, accuse, and handcuff our excellent police department) will cost the City a fortune.

Over 200 of the 700+ people on the city payroll make more than Governor Newsom and all the Superior Court Judges. It makes no sense to have \$200,000 policemen and a \$539,278 police chief if the City Council ORDERS the police NOT to move homeless people off our streets. Derelicts and drug addicts are living in front of abandoned buildings on Sepulveda Blvd. and urinating and defecating on our sidewalks.

Culver City should not be a tent city for LA!

Let's stop spending on the wild-eyed, left-wing projects dreamed up by this City Council and their overpaid employees. The City Manager makes over \$421,504 per year. That is obscene for a city of only 40,000 residents.

Vote No on Measure CC.
