Prince Memorial Greenway Santa Rosa, CA

Benefits

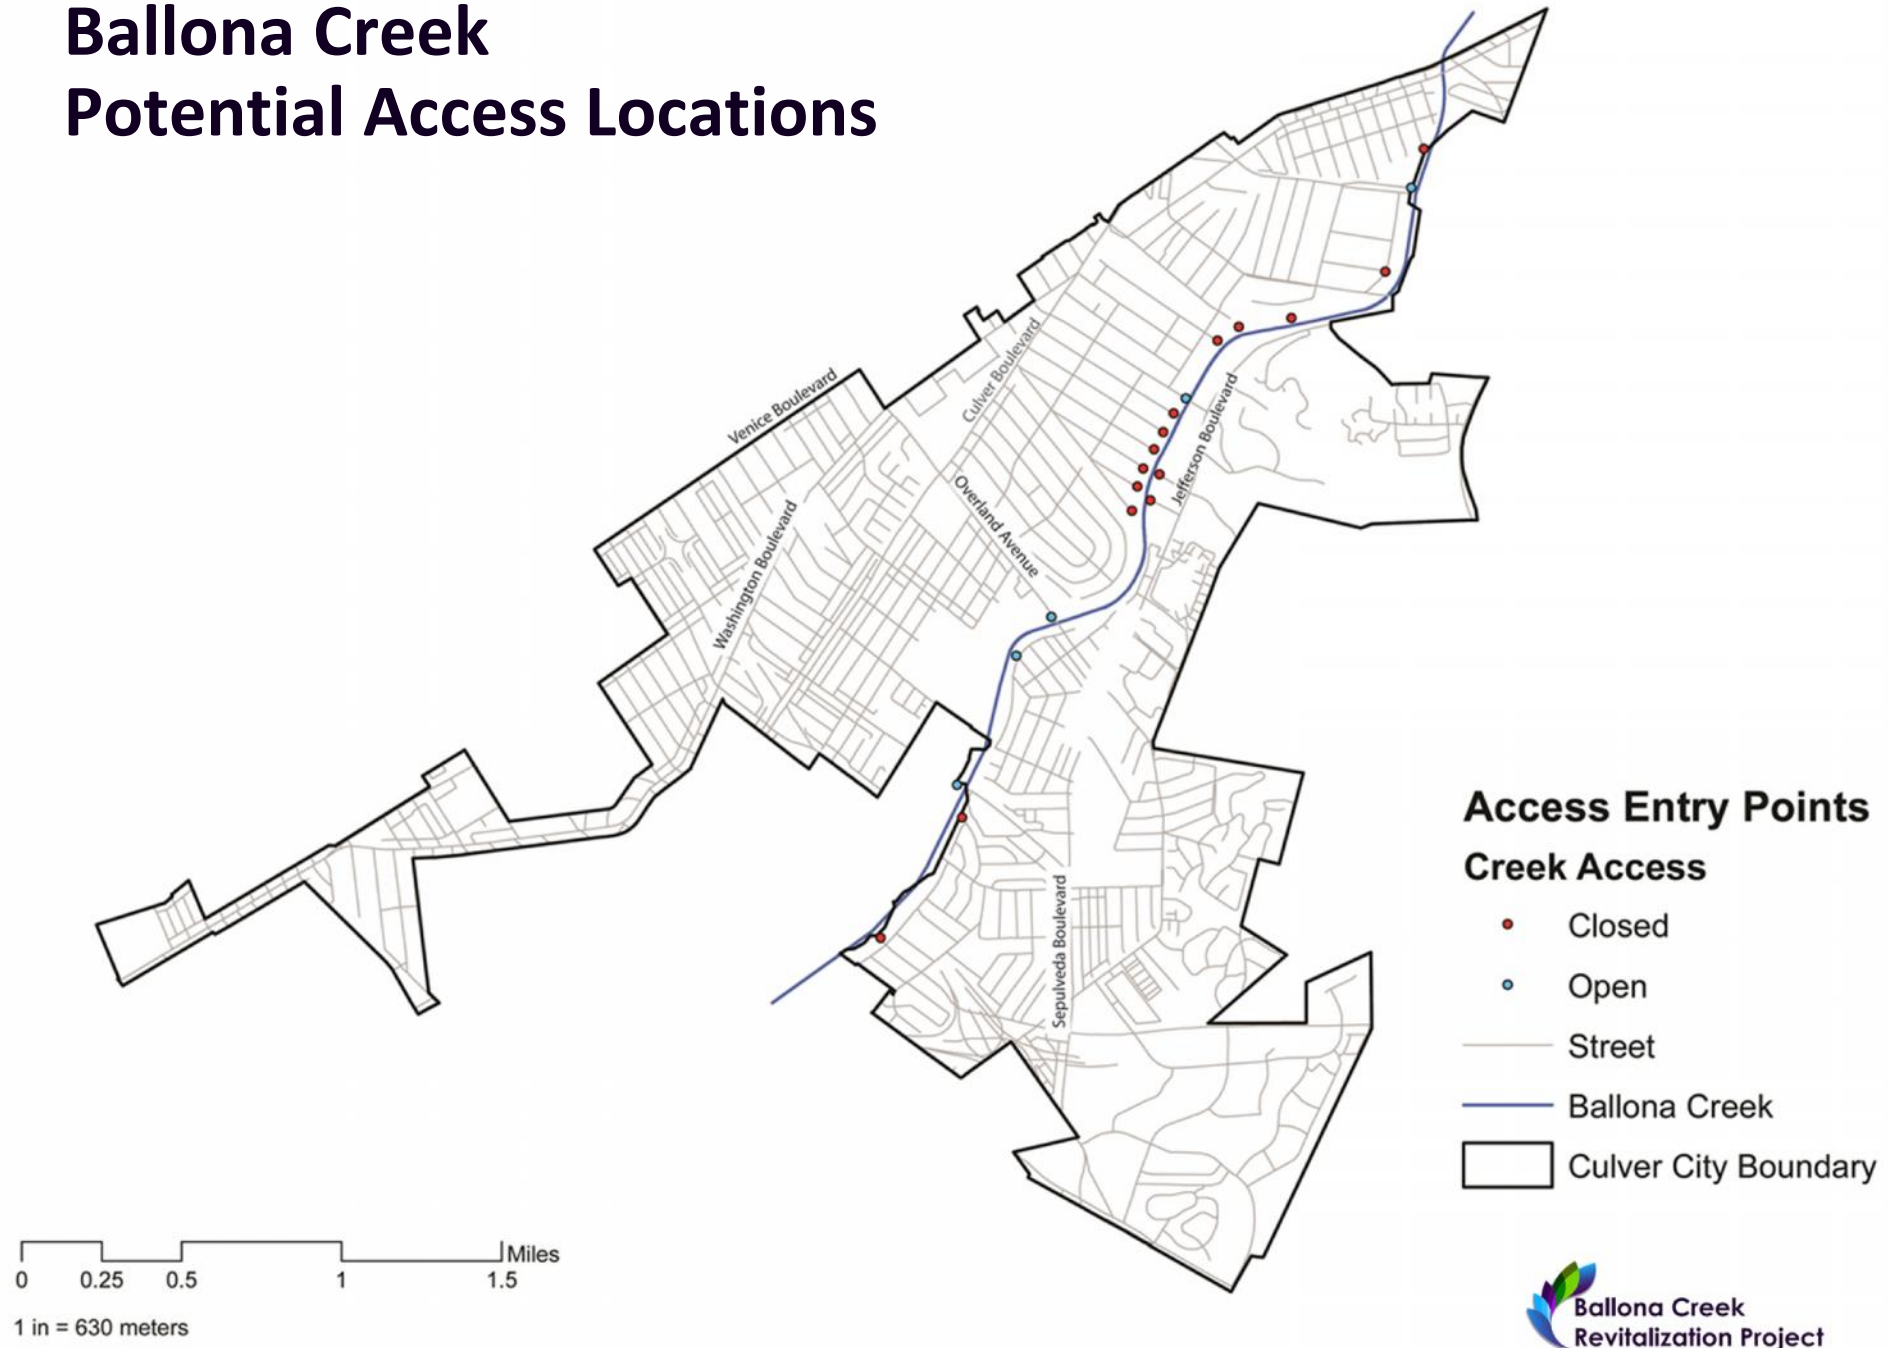

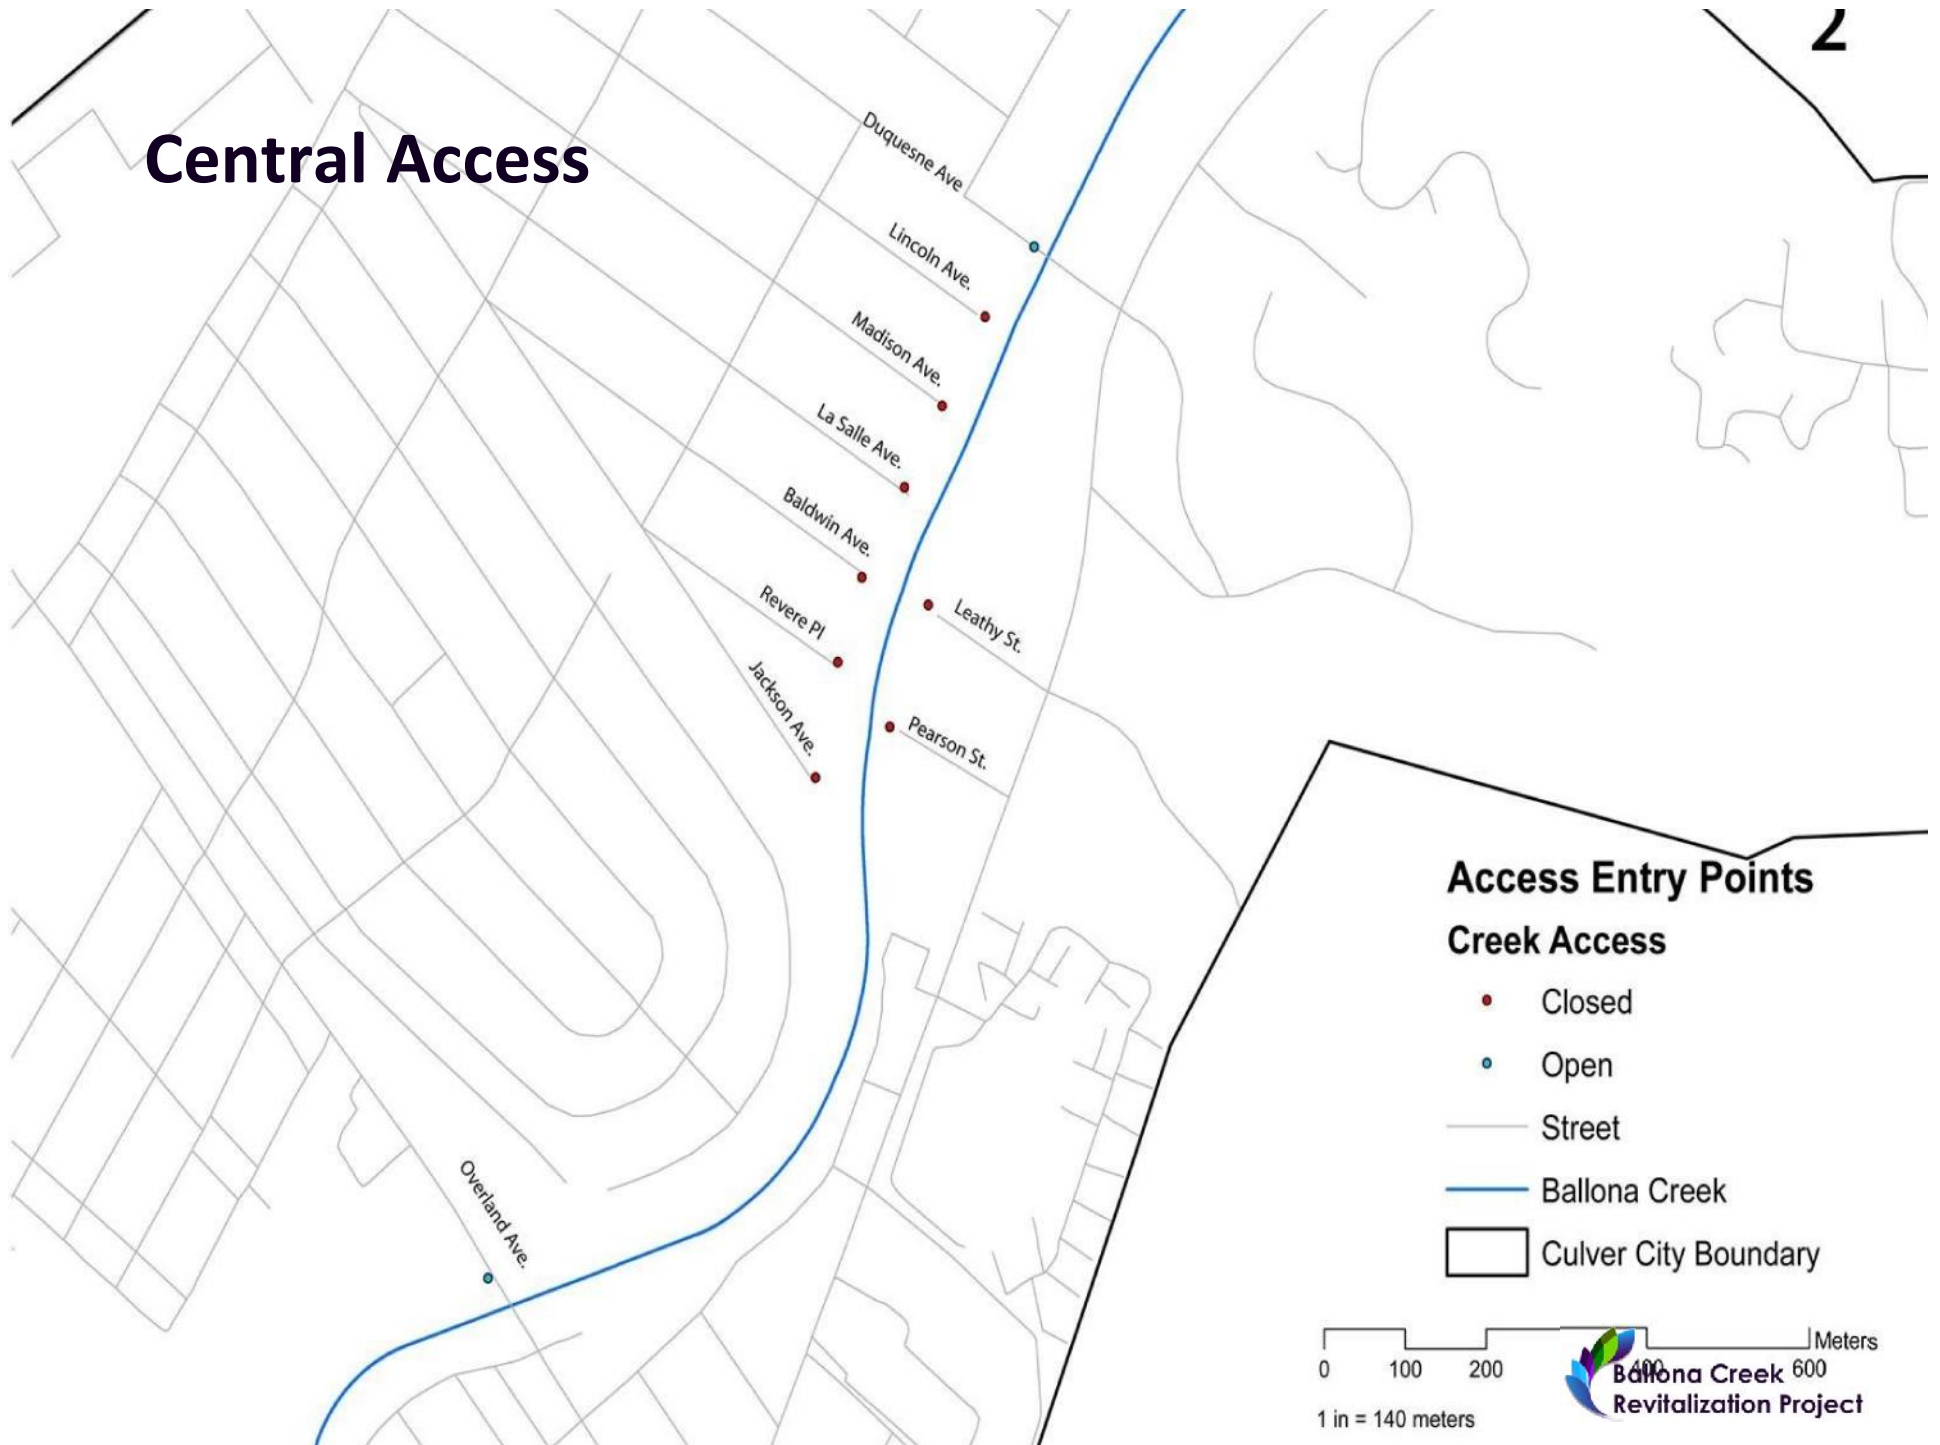

Mobility

Ballona Creek Potential Access Locations

Central Access

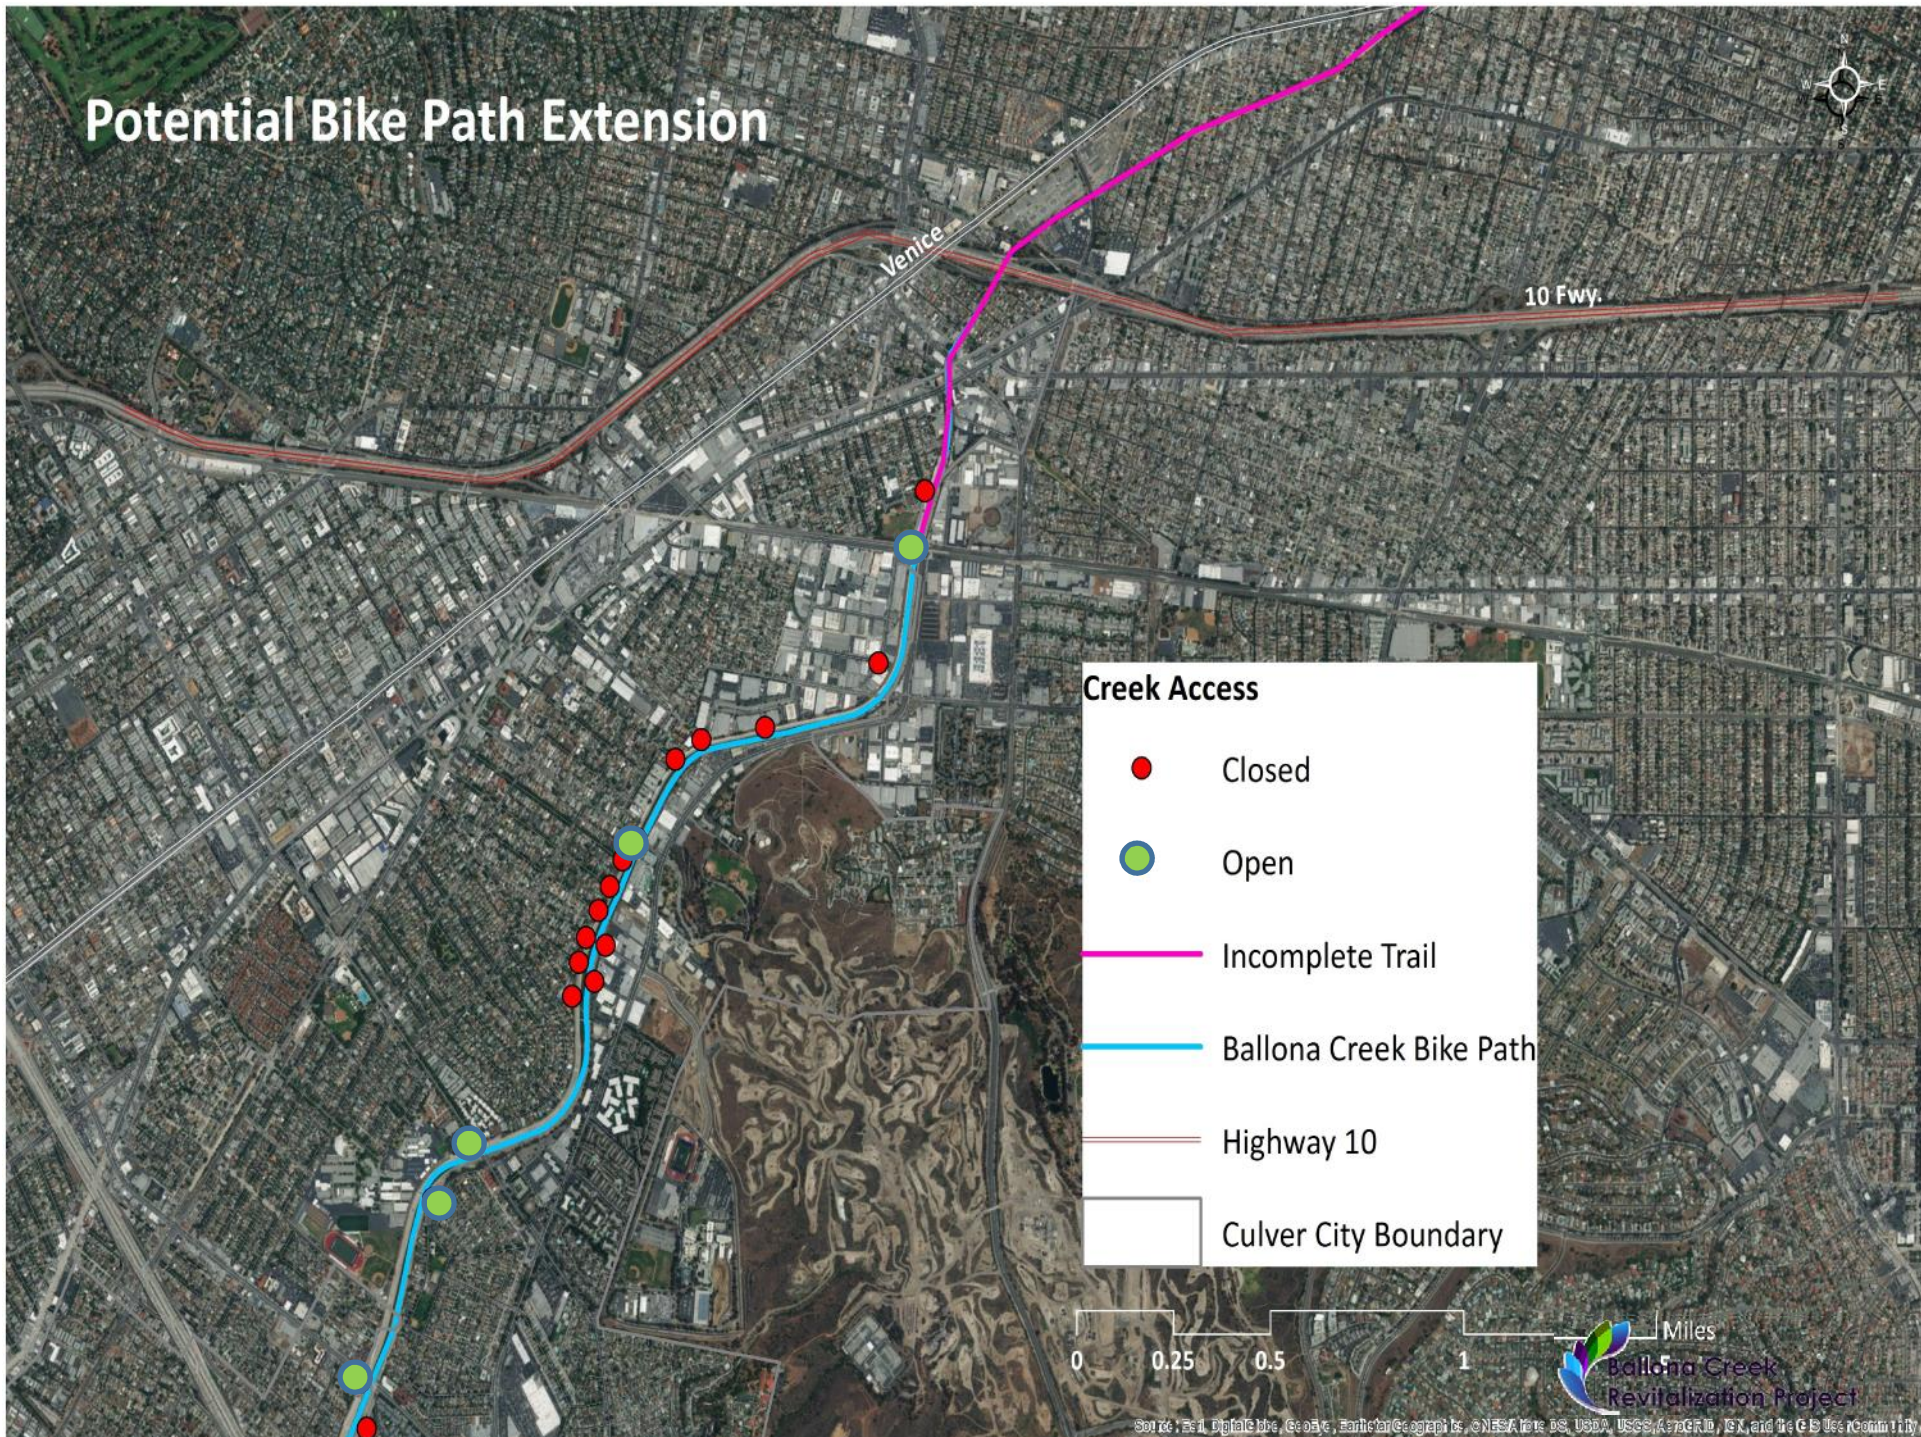

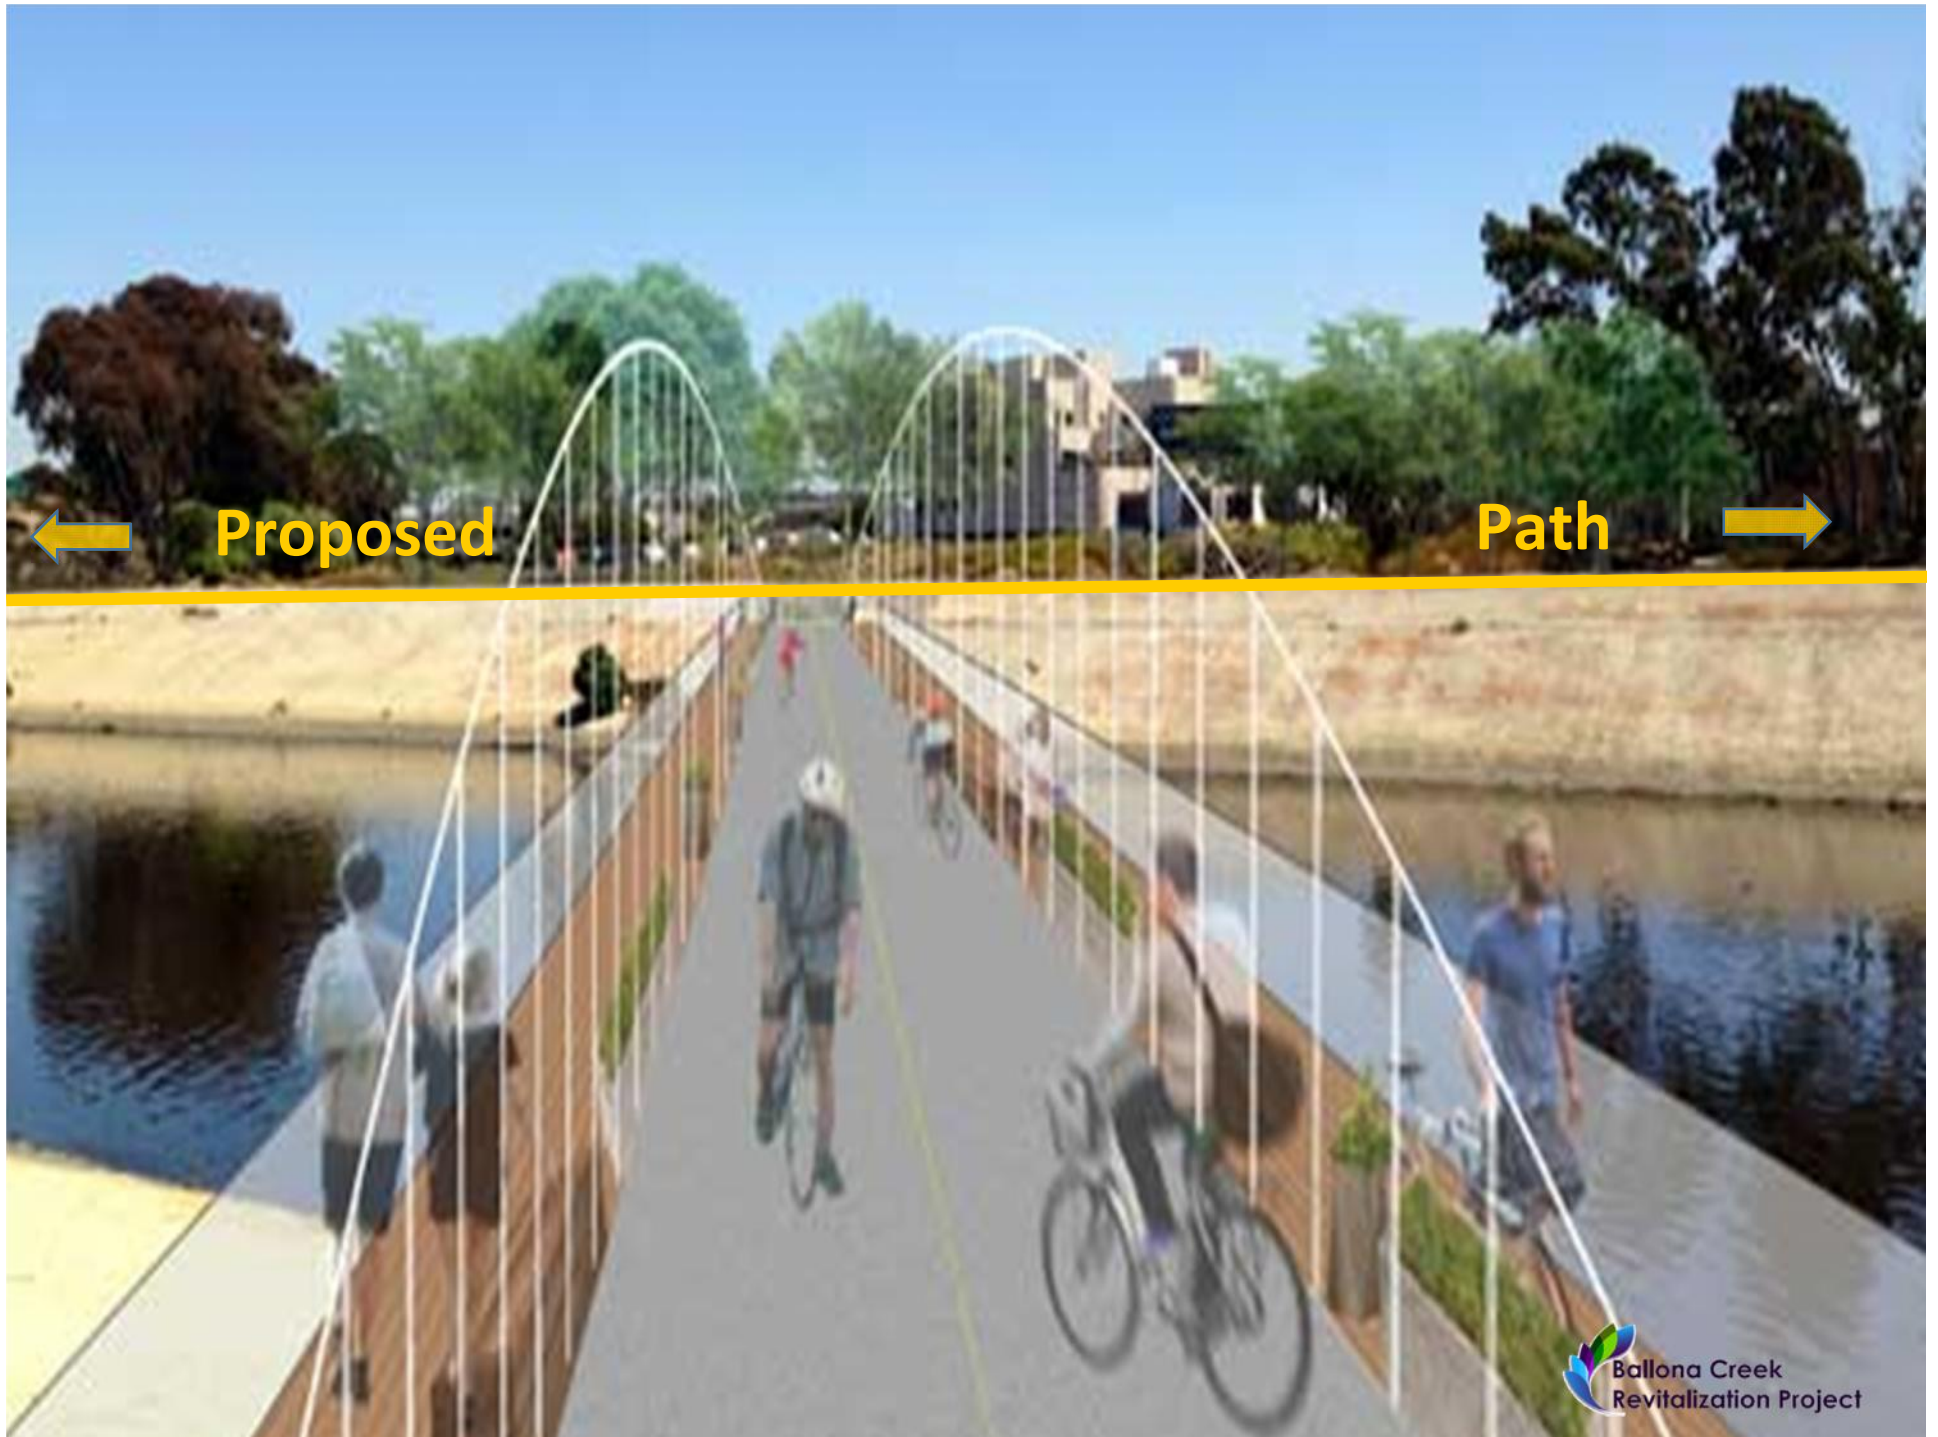

10 ft. (avg)

12 ft. (required)

Potential Bike Path Extension

Van Gogh-Roosevelt Path in Netherlands

COURTESY DARRI ROOSEGAARDE © HELUMANS INFRASTRUCTURE

Phase I (Initial)

- ❖ Installing art & interpretive signage
- ❖ Opening existing gateways
- ❖ Native plant education
- ❖ Engaging with local community groups & businesses
- ❖ Adopt-a-Creek

Interpretive signage offers educational opportunities

Phase II (Intermediate)

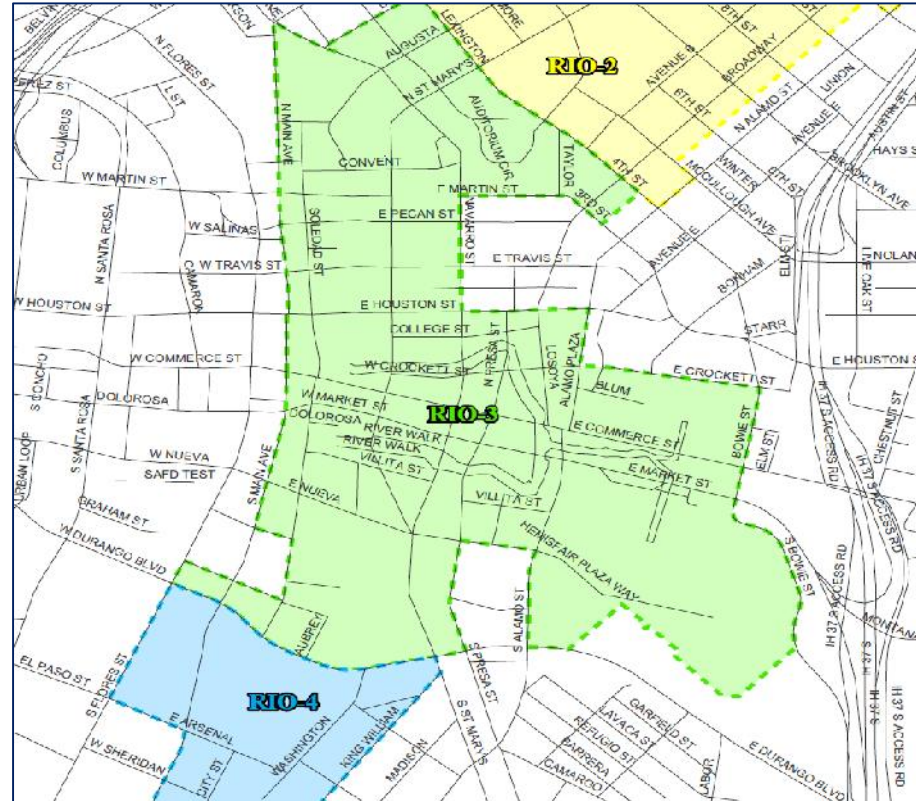

- ❖ Opening pocket parks → storytelling
- ❖ Installing lighting
- ❖ Terracing in right-of-way or pilot project in channel
- ❖ Open new access points
- ❖ Small-scale water capture

LA River proposed terracing

Phase III (Long-term)

- ❖ Path extension
- ❖ Widespread terracing and re-configuration
- ❖ Flood mitigation and large-scale water capture
- ❖ Broader network of transportation elements adjacent to Creek
- ❖ Possible zoning adjustments & city property re-location

Distinct overlay zones (RIOs) integrate pedestrian-friendly spaces in the San Antonio Riverwalk with the greater San Antonio region

Conclusion & Questions
