

Culver CITY

Operation of leaf blowers within the City of Culver City shall be permitted only between:

8:00 a.m. and 6:00 p.m. Monday through Friday

10:00 a.m. and 5:00 p.m. Saturday and Sunday

Operators shall rake, pick up and dispose of large waste matter prior to using the leaf blower, and shall use a broom when blowing debris off sidewalks or other paved areas. Any debris blown into the street or onto neighboring premises shall be picked up and disposed of properly.

Leaf Blower Noise Restrictions

Effective November 24, 2022, all leaf blowers operating within Culver City must not exceed 65 decibels. Inspections of equipment will be required and equipment which does not meet this standard will be prohibited from use. Operators failing to adhere to the new standards are subject to citations with fines.

For commercial operators, a Business License and *Special Permit to Operate a Leaf Blower* can be obtained at www.Culvercity.HdlGov.com or by calling 310-594-7847.

The No-fee leaf blower permit applications are included as part of the annual business license renewal package for gardeners, landscape firms, property management companies and other businesses that utilize leaf blowers.

For additional information, or to report a noise nuisance, please contact Enforcement Services at (310) 253-5940.
