The Culver City Parks, Recreation and Community Services (PRCS) Department believes in providing quality programs for all community members. While each program site and amenities are slightly different in nature, PRCS staff-run programs strive to maintain a 1:12 child to staff ratio. Our day camp and afterschool programs are designed to balance the needs of each child with the needs of all participants. If you believe your child may need additional assistance, reasonable accommodations can be made with prior arrangements. Please contact the PRCS Department at (310) 253-6650 to speak with the Recreation and Community Services Supervisor or Manager.
