COMMUNITY MEETINGS

WE WANT TO HEAR FROM YOU ABOUT OUR PARKS!

The City is envisioning the future for Bill Botts Fields and Veterans Memorial Park—and we want to hear from you! The Bill Botts Fields and Veterans Memorial Park Feasibility Study is a comprehensive visioning project to determine how these two parks will accommodate the community’s 21st century needs for indoor and outdoor recreational, community meeting, event and cultural facilities. The study will take an extensive look at the parks and facilities located at each site.

As part of the City’s effort, these community meetings will help determine the needs and priorities for Bill Botts Fields and Veterans Memorial Park. Join us for in-person and virtual community conversations about these parks’ futures.
