**Twenty-Fifth Supplement to Public Order Under
City of Culver City Emergency Authority**

Issue Date: September 3, 2020

Subject: (1) Reopening Indoor Services for Hair Salons and Barbershops at 25% of Maximum Occupancy; and (2) Beginning September 14, 2020, Allowing In-School Services for Students with Individualized Education Programs (IEPs) or English Learners (ELs) at K-12 Schools.

This Twenty-Fifth Supplement to Public Order addresses two issues: (1) the safe re-opening of indoor services for hair salons and barbershops, at 25% of the maximum occupancy; and (2) beginning September 14, 2020, allowing K-12 schools to offer in-school services for small, stable cohorts of students with Individualized Education Programs (IEPs) or English Learners (ELs) needing assessments and or specialized in-school services.

On March 14, 2020, the City Manager, as Director of Emergency Services, issued a Proclamation of Local Emergency, due to the outbreak and spread of the Coronavirus Respiratory Disease (COVID-19), which was ratified by the City Council on March 18, 2020 by Resolution No. 2020-R015. Such action followed the Los Angeles County Department of Public Health's and the Chair of the Board of Supervisor's declarations of a local health emergency and the State of California's declaration of a State of Emergency on March 4, 2020, and the President's declaration of a National Emergency on March 13, 2020.

Beginning on March 16, 2020, the City Manager issued a number of public orders closing many businesses and significantly restricting the operations of others, consistent with various supplemental orders that were issued by the State of California and the Los Angeles County Department of Public Health, as well as a number of neighboring communities.

In the early part of May 2020, the County of Los Angeles announced its Roadmap to Recovery, A Phased Approach to Reopening Safely, which allowed certain businesses and activities to slowly reopen and resume, subject to strict public health protocols. Although this phased reopening allowed some businesses to open and some activities to resume, many other businesses remained closed and activities were not permitted.

In late June and early July, 2020, due to increases in the daily reported COVID-19 cases, hospitalizations, and the testing positivity rates, the Los Angeles County Public Health Officer issued revised orders, in alignment with the California Governor's

announcements, requiring the closure of specific activities and business sectors, superseding previous orders (which had allowed many businesses to reopen), to address the serious regression of COVID-19 indicators within Los Angeles County. Such closures of certain higher risk businesses, recreational sites, commercial properties, and activities, where more frequent and prolonged person-to-person contacts are likely to occur, superseded any previous openings permitted in Culver City.

On September 2, 2020, the County of Los Angeles Public Health Officer issued a revised Order, to align with the State of California's August 28, 2020 Blueprint for a Safer Economy, which describes a tiered approach to relaxing and tightening restrictions based on specific criteria.

To support the safe operations and recovery of our business sectors and educational activities within the City during COVID-19, and consistent with the State Orders and guidance as well as County Orders and protocols, by virtue of authority vested in me as the Director of Emergency Services, pursuant to the provisions of CCMC Section 3.09.020.B.1.h(2), to make and issue rules and regulations on matters reasonably related to the protection of persons, property and the environment as affected by such emergency, I hereby order:

1. *Safe Indoor Operation of Hair Salons and Barbershops at 25% of Maximum Occupancy.* Effective the date of this Order, hair salons and barbershops may reopen for indoor operations, at 25% of the salon or shop's maximum occupancy, with required modifications. As permitted by the State, operators are encouraged to continue providing as many services as possible outdoors. Hair salons and barbershops reopening indoors shall comply with all State of California Public Health Orders and Guidance, and local laws, rules, and regulations. The owner, manager or operator must, prior to reopening for indoor operations, prepare, implement and post the most recent version of the required Los Angeles County Department of Public Health Reopening Protocols for Hair Salons and Barbershops (Appendix H) posted at <http://publichealth.lacounty.gov/media/Coronavirus/>.

2. *In-School Services for Students with Individualized Education Programs or English Learners at K-12 Schools.* As authorized by the County, beginning September 14, 2020, K-12 schools may offer in-school services for a small, stable cohort of students with individualized Education Programs (IEPs) or English Learners (ELs) needing assessments and/or specialized in-school services, with priority given to students with disabilities. Schools must limit the number of students with IEPs and ELs, and other prioritized students allowed at any one time on campus for essential assessments and/or specialized in-school services to 10% or less of the total student body. All schools providing the permitted, limited in-school services as provided for herein, shall comply with all State of California Public Health Orders and Guidance, local laws, rules and

regulations, and the most recent version of the required Los Angeles County Department of Public Health Reopening Protocol for K-12 Schools (Appendix T1), posted at <http://publichealth.lacounty.gov/media/Coronavirus/>.

3. This Twenty-Fifth Supplement to Public Order supersedes any provision in a previous Order where there is a conflict between the Orders; otherwise all Stay at Home orders remain in place. Except as specifically provided herein, public and private gatherings of any number of people occurring outside of a single household or living unit continue to be prohibited.

4. Additional social distancing, infection control, and health and safety measures and guidelines may be imposed at any time, in my sole discretion, in order to ensure the protection of the public's health and safety, and the intent of each and every Public Order is carried out.

Any violation of this Twenty-Fifth Supplement to Public Order may be enforced under the Culver City Municipal Code, which provides for fines not to exceed \$1,000 or imprisonment not to exceed six months. Each individual officer should use their discretion in enforcing this order and always keep the intent of the order in mind.

This Twenty-Fifth Supplement to Public Order shall be effective immediately and shall remain in effect until superseded, amended, modified, or rescinded.

Date: _____

9/3/2020

John M. Nachbar, City Manager
Director of Emergency Services
City of Culver City
