Notes: Streets with no address range indicate that although the street falls within the City boundary, no addresses exist within the City that use that street name. Streets showing address ranges WITHIN both Min and Max fields indicates that the street exits and re-enters the City. Therefore, numbers for that street exist only in the unique ranges shown. (Ex. If Min Address = 4020 - 4307 and Max Address = 5140 - 5449, then 4500 Berryman Av is NOT in the City.)
