

ATTENTION Patrons:

Electronic Swim Passes are here!

All Plunge passes have transitioned over to electronic passes. Each lap swimmer who purchases a 15-swim pass need to do the following when **renewing** or **purchasing** a Swim/Adult Exercise or AquaFit pass:

1. Culver City residents: bring proof of residency — a current utility bill **and** a current valid California Driver's License/California ID
2. Fill out a pass renewal form (or new pass form for those purchasing a pass for the first time). These forms can be found at the front desk.
3. Pay fees at the front desk. We will take a picture and a scan card will be printed out with your unique bar code assigned.

Once you have made your pass, each time you come in slide the card under the scanner and Active will track your swims. Should you lose or forget your card we can still log you in using your name!

To help this transition go smoother you can set up your account online before you come into the pool at

<https://apm.activecommunities.com/culvercity>

Thank you for your cooperation!
