

RESOLUTION No. 2018- R 059

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
CULVER CITY, CALIFORNIA, DECLARING A FISCAL
EMERGENCY IN ACCORDANCE WITH ARTICLE XIII C OF THE
CALIFORNIA CONSTITUTION

WHEREAS, Article XIII C of the California Constitution provides, in pertinent part: "...No local government may impose, extend, or increase any general tax unless and until that tax is submitted to the electorate and approved by a majority vote. A general tax shall not be deemed to be increased if it is imposed at a rate not higher than the maximum rate so approved. The election required by this subdivision shall be consolidated with a regularly scheduled general election for members of the governing body of the local government, except in cases of emergency declared by a unanimous vote of the governing body..." and

WHEREAS, for several years and most recently during the budget process and study session meetings held in May and June of this year, staff presented the City Council and community with information related to the City's costs increasing at an alarmingly faster rate than revenues, due in large part paying down the City's unfunded pension liability; and,

WHEREAS, the City's financial forecast has made it evident that a significant structural deficit is developing without the addition of significant decreases in expenditures or increases in revenue; and,

WHEREAS, as a result of the Great Recession, the City eliminated nearly twenty percent of the positions in the General Fund, and further reductions to the authorized positions in the City will have a direct effect on the level of services provided to the community; and

WHEREAS, after conducting budget study sessions where members of the community were invited to provide comment and input related to the impacts that dramatic reductions to expenditures would have on the quality of life in Culver City,

1 and the need to increase revenues to maintain the quality of life, the City Council
2 considers this situation has created a fiscal emergency in the City.
