

Culver City Performing Arts Grants Program List of Potential Performance Venues

Below is a list of some of the venues in Culver City which you may consider for your performance(s). Venue arrangements are to be made between the grantee and the venue. The City of Culver City does not share responsibility in securing venues for the grantees. All grant performances must take place in ADA compliant venues. Grantees may need to obtain special permits, insurance, and/or pay rental fees in accordance with the venue.
