Limited Field Rentals Now Available in Culver City Parks

The Culver City Parks, Recreation and Community Services Department welcomes applications for outdoor space rentals for (1) Commercial Gym & Fitness Establishments; (2) Faith Based Services; (3) Therapeutic Small Group Meetings; and, (4) Sports Field Rental for Youth Sports Organizations.

The following parks have areas and fields available to rent. The areas range in size and capacity.

- Culver City Park
- Culver West Alexander Park
- Carlson Park
- El Marino Park
- Fox Hills Park
- Lindberg Park
- Syd Kronenthal Park
- Tellefson Park
- Veterans Memorial Park

Permits are available for outdoor field and open spaces only. Information regarding the park areas available for rent may be found at the links above. Park building, picnic areas and shelters are still not available for rentals due to State of California and Los Angeles County Public Health orders. These orders also do not allow us to currently grant permits to adult sports groups.

We are highly encouraging potential renters to become familiar with the recommended reopening protocols set by the County of Los Angeles Department of Public Health. Adopting the staged approach, supported by science and public health expertise, will allow venues to safely reopen during the coronavirus pandemic.
