Culver City Camps, The Municipal Plunge Pool & Other Outdoor Park Amenities Are Closed Until Further Notice

Although Los Angeles County will allow cities to re-open camps and pools starting June 12, 2020, Culver City Parks, Recreation, and Community Services (PRCS) run camps, The Municipal Plunge Pool and other outdoor park amenities are closed until further notice. The County has not yet released the required Public Health protocols under which these activities will be allowed to resume. The City will review the County’s Public Health protocols as soon as they are issued and inform the community of an expected re-opening date and when registration may begin. We appreciate your patience and look forward to resuming these activities as soon as safely possible.

Pool and Day Camp Availability to Be Limited After Re-Opening

Culver City is currently planning for reopening, including new staff training, registration, cleaning and social distancing protocols. We will announce re-opening dates to the public as soon as possible. **POOL AND IN-PERSON DAY CAMP AVAILABILITY WILL BE EXTREMELY LIMITED AFTER REOPENING. This is because of new Public Health required social distancing requirements to prevent the spread of COVID-19. We are required to severely limit the size of groups of campers and the number of persons in the pool.** We will provide more details on program modifications as soon as we are able. We appreciate your patience during this challenging time.

Sign-up Your Kids Today for Culver City's Virtual Summer Programs

Sign-up your kids now for one of Culver City's Virtual Summer Programs!

- "Virtual Choice" ($45, registration ongoing): Campers will have access to the private page of pre-recorded videos with step by step instructions to a wide variety of popular camp activities led by our talented camp staff. A camp kit including craft supplies, and an activity book will be included and available for pick-up.
"Virtual Camp" program ($90/week, registration begins June 13th): Campers will have a week of daily 75 minute live videos calls with other campers and their counselor plus access to a private page of pre-recorded videos. The video calls allow for campers to interact with each other and counselors through fun games, crafts and activities. A camp kit including camp shirt, craft supplies, and an activity book will be included and will be available for pick-up.

Visit the Virtual Summer Programs webpage for more details.

Staying by Your Side, Staying Connected & Staying Active!

Here is a snapshot of some of the ways that PRCS supported the Culver City community from March 15 through May 15, 2020:

STAYING BY YOUR SIDE:
- 7458 Meals delivered to Seniors
- 195+ Grocery bags delivered
- 9542 Community calls made
STAYING CONNECTED
- 6000 Senior “Safer at Home Guides” mailed
- 6000 Postcards sent
- Virtual Recreation Center Launched with 106 links provided for activities to enjoy safely at home

STAYING ACTIVE
- 810 acres mowed to allow for social distancing at our parks

More Information from PRCS

As the City of Culver City follows the guidance of the California Department of Public Health and County of Los Angeles County Department of Public Health to stop the spread of the coronavirus (COVID-19), the Culver City Parks, Recreation and Community Services (PRCS) Department continues to do its part to implement precautionary measures in response to COVID-19. During this challenging time, we know that parks can serve a vital role for outdoor leisure and relaxation. Our parks will remain open as outdoor-only facilities for passive use such as walking, jogging, or leisure time outdoors for individuals or families. However, group gatherings of any size are prohibited by the health order and social distancing is required (maintain a minimum of 6 feet in between you and others).

We strongly encourage you to take everyday actions to prevent the spread of germs.
- Stay home when sick. Stay home for at least 72 hours after you no longer have a fever.
- Wash hands often with soap and water for at least 20 seconds.
- Limit close contact with people who are sick.

PRCS takes pride in the role we play in the lives of residents of all ages in the Culver City community and looks forward to the time when we can all gather together in good health. Updates and additional information will be posted here as it becomes available. The City will continue to work closely with the Los Angeles County Department of Public Health to protect the health and safety of our Culver City residents, visitors and staff. Learn more about the coronavirus on the County’s website.

Read the latest Culver City updates on the coronavirus or for questions, please email the City or call the City’s Coronavirus Hotline at (310) 253-6890 (7:30 AM to 5:30 PM). Get specific updates as related to Park, Recreation and Community Services, email PRCS or call (310) 253-6650 (9:00 AM to 5:00 PM).

Sincerely,

Corey Lakin, Director
Culver City Parks, Recreation & Community Services
