PROGRAM CANCELLATIONS AND CLOSURE OF CITY BUILDINGS

Updated March 17, 2020

Program and event cancellations and facility closures related to coronavirus (COVID-19) precautions are now in place at all City facilities and for all classes and programs. We ask that you please read the information below carefully. If you have questions or would like more information, call the Parks, Recreation and Community Services (PRCS) Department at 310-253-6650 or email us.

Notice of changes with the Senior Nutrition Program

Per the directive of the Los Angeles County Department of Public Works, “older adults 65 and older must send a family member, friend or caregiver who is under the age of 65 to pick-up meals” at Congregate Meal sites. Due to this new guideline, the Culver City Senior Center has adapted its meal service for existing registered nutrition program patrons, who are over 65 years old:

- For registered Congregate Nutrition Meal patrons under the age of 65 and those who are 65+, who have a family member, friend, neighbor or caregiver under the age of 65 who can pick-up the meal, please use our drive-up service located in the Senior Center parking lot Mondays and Wednesdays between 10:30 am and 12:30 pm.
- For registered nutrition patrons ages 65+ who do not have anyone to pick up their meals, the City will deliver frozen meals on Mondays and Wednesdays between 11 AM and 2 PM.
- Existing Home Delivered Meal clients will continue to be served on Mondays and Wednesdays.
- All meals are frozen, with two meals provided on Mondays and three meals provided on Wednesdays.
- If you have a neighbor or family member who is a Culver City resident age 65+ and you concerned about their ability to get food, please send an email to Daniella.Gutierrez@culvercity.org.
- If you live outside of Culver City and are looking for resources regarding senior meals [Here is a map](#) with detailed plans for meal sites throughout LA County. You may also call 1-800-510-2020 for assistance.
Notice of Closure of City Buildings

Based on Governor Newsom’s March 15, 2020 guidance on social distancing, the City is ceasing to offer in-person services at City Hall, the Veterans Memorial Complex (Senior Center, Veterans Memorial Building and Teen Center) and the Transportation Building through Tuesday, March 31, 2020.

The City is open for business via telephone, email, or online. Please call the relevant City Department for information on how to obtain services via telephone, email, or online. The City is currently evaluating how it can continue to provide in-person services at City Hall while also encouraging social distancing to slow the spread of COVID-19. The Senior Center WILL still provide essential services such as lunch through an outdoor pick-up program and social services via telephone.

Facility Reservations

All facility, park, picnic, and field reservations in City-owned/managed facilities are cancelled though Sunday, April 12, 2020. Renters may reschedule their event or may cancel at no charge. Please contact our rental office staff or call 310-253-6625 with any questions or changes.

Aquatics / The Plunge

The Plunge will be closed as was previously scheduled for annual maintenance from March 14 - April 4, 2020. The closure will now be extended through April 12, 2020 as a precautionary measure against the spread of the coronavirus.

For Further Information and Updates

The Parks, Recreation and Community Services Department takes pride in the role we play in the lives of residents of all ages in the Culver City community and looks forward to the time when we can all gather together in good health. Updates and additional information will be posted on the PRCS Department homepage as it becomes available. Read our March 13, 2020 update for more information about PRCS Department program and event cancellations and facility closures related to coronavirus precautions.

The City will continue to work closely with the Los Angeles County Department of Public Health to protect the health and safety of our Culver City residents, visitors and staff. Learn more about the coronavirus on the County’s website.

For updates on the coronavirus visit the City’s website at www.culvercity.org/coronavirus.
