Special Service for Groups (SSG)/Mental Health: 310-253-6717

Closure of Playgrounds and Parcourse (Outdoor Exercise) Equipment

In accordance with the Los Angeles County Department of Public Health’s “Safer at Home” order for control of COVID-19, all City buildings are closed. Also, effective immediately, all Culver City playgrounds and the parcourse equipment in all of our parks are closed. However, there are still many ways you can enjoy our parks such as biking, walking, etc. as long as you remember to follow social distancing guidelines.

Social Distancing while Enjoying our Parks

The City of Culver City and the National Recreation and Park Association recommend these COVID-19 precautions while visiting our parks:

- Do not use parks or trails if you are exhibiting symptoms.
- Follow the guidance from the Centers for Disease Control and Prevention (CDC) on personal hygiene prior to visiting parks or trails.
- Be prepared for limited access to public restrooms or water fountains.
- Share the trail and warn other trail users of your presence and as you pass.
- Observe CDC’s minimum recommended social distancing of 6 feet from other persons at all times.
Cancellation of Spring Enrichment Classes, Camps and Programs

Due to the uncertainty of when City facilities will reopen, the Spring 2020 Enrichment Season is being cancelled and registration for the Summer 2020 Enrichment Season is being postponed. Once a plan is made for reopening, staff will review our program offerings and determine which programs will open for full registration, which will have an abbreviated schedule, and which will be cancelled.

Currently, indoor/outdoor facility rental reservations are not being accepted. Reservations will resume once it is determined when City facilities will be able to open.

We appreciate your patience and flexibility as we navigate during this unprecedented time. We look forward to the time when we can all gather and recreate together again in good health!

Please be sure to check your email, the PRCS Department website and follow us on Facebook for future updates.

Thank you for your patronage of the Culver City Parks, Recreation and Community Services Department. Please be safe, stay healthy and take care of yourselves, your family, friends and neighbors!
