Sixteenth Supplement to Public Order Under
City of Culver City Emergency Authority

Issue Date: June 1, 2020

Subject: Reopening Safer at Work and in the Community for Control of COVID-19: Restaurant In-person Dining and Hair Salons/Barber Shops

On May 29, 2020, the Los Angeles County Department of Public Health revised its "Reopening Safer at Work and in the Community for Control of COVID 19: Moving the County of Los Angeles through Stage 2 of California’s Pandemic Resilience Roadmap" (Revised County Order), to allow additional businesses to conditionally re-open. The County of Los Angeles is following the State of California’s phased re-opening that progressively designates sectors, businesses, establishments or activities that may reopen or resume, with necessary modifications to protect the public health and safety, and to lower the risk of transmission of Novel Coronavirus Disease (COVID-19).

To allow activities to resume, and Culver City businesses to safely re-open as the County permits, effective as of the date of this Order, and by virtue of authority vested in me as the Director of Emergency Services, pursuant to the provisions of CCMC Section 3.09.020.B.1.h(2), to make and issue rules and regulations on matters reasonably related to the protection of persons, property and the environment as affected by such emergency, I hereby order:

1. Hair salons and barbershops are permitted to conditionally re-open, as lower risk businesses, as defined in Section 9 of the Revised County Order. The owner, manager or operator of a hair salon or barbershop shall, prior to re-opening, prepare, implement and post the most recent version of the Los Angeles County Public Health Reopening Protocol for Hair Salons and Barbershops (Appendix H) posted on http://publichealth.lacounty.gov/media/coronavirus/. Businesses are required to adhere to all Culver City, Los Angeles County Public Health, and State of California Public Health Officer guidelines, including physical distancing and infection control practices to protect employees and customers.

2. Restaurants and other food facilities that prepare and serve food may re-open for in-person dining, at a capacity not to exceed 60% of maximum occupancy. Restaurants and other food facilities that provide in-person dining shall prepare, implement and post the most recent version of the Los Angeles County Public Health Protocol for Restaurants Opening for On-site Dining (Appendix I) posted on http://publichealth.lacounty.gov/media/coronavirus/. Businesses are required to...
adhere to all Culver City, Los Angeles County Public Health, and State of California Public Health Officer guidelines, including physical distancing and infection control practices to protect employees and customers.

3. Notwithstanding any provisions of the Culver City Municipal Code to the contrary, in order to accommodate restaurants re-opening at a capacity not to exceed 60% of maximum occupancy, and lower risk retail stores re-opening at a capacity not to exceed 50% of maximum occupancy, during the course of the local emergency, and subject to the approval of the Public Works Director/City Engineer:

   (a) Restaurants may temporarily expand in-person dining into the public right-of-way, or expand the existing outdoor dining areas further into the public right-of-way.
   (b) Retail establishments may temporarily use the public right-of-way for the outdoor display of goods.

4. In order to effectuate this Public Order, the Public Works Director/City Engineer shall have the authority and discretion to establish procedures, standards, conditions, rules and regulations, as he may deem appropriate, to implement the processing and approval of such temporary outdoor dining and retail areas (including, but not limited to approval of street closures, or partial street closures), while ensuring compliance with the Americans with Disabilities Act (ADA), and any other measures deemed necessary to protect the public health, safety and welfare.

5. Outdoor dining permit fees will continue to be waived pursuant to existing public orders. In addition, temporary use permit fees, for the purposes and duration of this Public Order, shall be waived.

6. This Sixteenth Supplement to Public Order supersedes any provision in a previous Order where there is a conflict between the Orders; otherwise all Stay at Home orders remain in place. Except as specifically provided herein, public and private gatherings of any number of people occurring outside of a single household or living unit continue to be prohibited.

7. Additional social distancing, infection control, and health and safety measures and guidelines may be imposed at any time, in my sole discretion, in order to ensure the protection of the public’s health and safety, and the intent of each and every Public Order is carried out.

Any violation of this Sixteenth Supplement to Public Order may be enforced under the CCMC, which provides for fines not to exceed $1,000 or imprisonment not to exceed six months. Each individual officer should use their discretion in enforcing this order and always keep the intent of the order in mind.
Sixteenth Supplement to Public Order Under City of Culver City Emergency Authority
Issue Date: June 1, 2020
