FIRE PREVENTION BUREAU

Does your home have a smoke alarm in each bedroom?

If yes, great! Be sure to change the batteries every 6 months and check it every month.

- If you purchase a new alarm, the new battery lasts 10 years so you don't need to change it!

If no, please be in touch with the Fire Prevention Bureau.

- The Fire Prevention Bureau can give directions on:
 - o Where to purchase smoke alarms,
 - o What kind of smoke alarm to purchase,
 - o Where to place smoke alarms, visit [NFPA](#).
- For those who can demonstrate need for a smoke alarm, CCFD will provide one smoke alarm for your household.

What to do

- Call or write a letter/email to the Fire Prevention Bureau (fire.prevention@culvercity.org or 310.253.5925) and state your need for a smoke alarm.
- Provide evidence of Culver City residency at the Fire Prevention Bureau or via email (Utility bill, etc.).
- Come to the Fire Prevention Bureau to pick up your smoke alarm.
